How to Make a Referral

Step 1: Please call 336-334-3120 to refer a child.

Step 2: Indicate your request for a classroom consultation, childcare provider training or an individual program referral.

Step 3: For individual referrals, please provide parent or guardian contact information, child’s date of birth, and a brief description of the presenting issues and concerns.

Step 4: A release packet will be forwarded to the parent or guardian for signatures.

Step 5: Once the signed releases have been returned, one of our early childhood specialists will contact you at the time of assignment.

A partnership among UNCG’s Center for Youth, Family and Community Partnerships, the Guilford County Partnership for Children and the Cemala Foundation
Purpose

To provide family-centered, community based services targeting children birth to five with social and emotional challenges so as to increase the number of children in Guilford County that are healthy and ready to succeed as they enter school.

Goals

To support age-appropriate social and emotional development of young children who are experiencing behavioral and/or other challenges in a variety of settings.

To increase the capacity of childcare providers who assist young children in childcare in meeting behavioral challenges.

To increase the ability of parents and guardians in meeting their parenting goals.

Services Available

- Individual assessments for social-emotional and developmental concerns.
- Staff development for childcare providers (certificates for Contact Hour Credits available).
- On-site training and technical assistance for childcare providers.
- Develop individualized plans for increasing a child’s success in the classroom and in the home.
- Home visits, support, and parent trainings for families.
- All services available for the Latino Community in Spanish.
- Weekly child groups promoting successful pre-academic behaviors and building healthy social relationships with peers in a group setting. Parents are provided education and support.

Teacher Workshops

Parent, teacher, and community workshops available upon request.

The staff at Bringing Out the Best hope to foster relationships with parents, teachers, and directors while providing support, knowledge and encouragement for using developmentally appropriate practices at home and in the classroom.

Contact Hour Credits are issued for attending and participating in the workshops. These are approved by the Division of Child Development; North Carolina Department of Health and Human Services.

Child care is not provided and children may not attend the workshops.
